IN THE MATTER OF THE SUSPENSION
OR REVOCATION OF:

CERTIFICATION NO. SW 12106

Administrative Action

FINAL ORDER

This matter was opened to the Board of Social Work Examiners by way of provisional order revoking the CSW social worker certification of Jose Del Carmen Salcedo based upon the findings of fact and conclusions of law enumerated below. The provisional order afforded Jose Del Carmen Salcedo (10) ten days to request modification and/or a hearing to contest, explain or mitigate the findings of fact and conclusions of law enumerated in the provisional order. No written or verbal response has been received from Jose Del Carmen Salcedo despite adequate service of the provisional order to the address on file with the Board of Social Work Examiners.

N.J.A.C. 13:44G-9.1 requires every licensee to notify the Board in writing of any change of address from that which is on file with the Board. N.J.A.C. 13:44G-9.1 also declares that service at the address on file with the Board is deemed adequate notice for the commencement of a disciplinary proceeding. The provisional order was delivered in a sealed envelope by regular and certified mail to: 1248 St. Marks Avenue, Brooklyn, New York 10304, which is the address which was reported by the U.S. Postal Inspection Service as the address of Jose Del Carmen Salcedo. Neither envelope has been returned to the sender as "undeliverable." The provisional order of Jose Del Carmen Salcedo was also sent in a sealed envelope by regular and certified mail to: 382 Bay Street, Apt 1A, Staten Island, New York 10301-3237, which is the address of Jose Del

Carmen Salcedo on file with the Board of Social Work Examiners. Both envelopes were returned to the sender. In view of the foregoing, adequate service was accomplished and Jose Del Carmen Salcedo was afforded sufficient notice and the opportunity to be heard in connection with this matter. Accordingly, the following findings and conclusions are made:

FINDINGS OF FACT

4. Respondent submitted the counterfeit "Canal Zone-USA Board of Social Work license" in an effort to obtain certification as a social worker in New Jersey.

5. No written or verbal response has been received from Jose Del Carmen Salcedo.

CONCLUSIONS OF LAW

Based upon the foregoing findings of fact, Respondent has violated the provisions of N.J.S.A. 45:1-21(a) and (b). Respondent obtained social work certification by deception and misrepresentation; and engaged

in the use of dishonesty, fraud, deception, misrepresentation and false pretense.
